Re: Division of Aging COVID-19 revised guidance for visitation
Date: March 15, 2020

The U.S. Centers for Disease Control and Prevention has released guidance to nursing homes to help them improve their infection control and prevention practices to prevent the transmission of COVID-19, including revised guidance for visitation. As a result, the Indiana State Department of Health and issued these [visitation guidelines](#) from ISDH for the following types of facilities:

- Nursing homes
- Residential care facilities
- Assisted-living facilities
- Residential care & assistance program providers
- Housing with services establishments
- Intermediate care facilities for IDD, including group homes
- Rehabilitation hospitals
- State psychiatric hospitals
- Free standing psychiatric hospitals

In addition, we are also providing [this link to a visitor alert sign](#) from ISDH that can be printed and used during this time.
